 IMPERIAL LIVING

We look back with great pleasure on our celebration at Schönbrunn, which was such a resounding success.

Despite no longer being as young as we once were, we even ventured a third dance, and were delighted to discover what stamina we still have.

We wish to express our sincere gratitude once again for the superb organisation of the event. It will always remain a treasured memory for us both.

Brunhilde Botsch and Ulrich Herold-B.

ROMANCE BENEATH WIDE OPEN SKIES

The Gloriette Terrace—for the most exclusive marriage proposal in the city

The Gloriette Terrace is one of the most romantic locations in all Vienna. With sweeping views of Schönbrunn Palace and the city beyond, it offers an unrivalled atmospheric backdrop for a proposal of marriage, and the unique setting will transform your special moment into a truly unforgettable occasion. A bottle of *Sisi Frizzante*, two bespoke engraved glasses and a selection of sweet delicacies—all presented in an elegant gift basket—add the finishing touch to your proposal.

Do you dream of a wedding to treasure for a lifetime?

The idyllic setting of the 600 m² Orangery Garden, amid vineyard rows and with views of Schönbrunn Palace, creates a wedding venue of rare distinction. Palm trees, the soft murmur of the fountain and the warm atmosphere of the Garden combine to form the perfect backdrop against which to exchange your vows. Celebrate your love with us—whether in a formal civil wedding or an informal ceremony; we offer both options. Following the ceremony, you may invite your guests to enjoy post-ceremonial refreshments on the sun-drenched terrace, celebrating the start of your life together in style.

Celebrate your wedding with a magnificent reception in the Maria Theresia Hall or the Orangery

Both rooms testify to the meticulous care invested in their restoration, preserving the exquisite detailing and distinctive elegance of the imperial age. Celebrate with your guests in the very same locations that once hosted lavish festivities during the time of Maria Theresia.

CELEBRATE YOUR WEDDING AMID THE SPLENDOUR OF AN IMPERIAL SETTING

Even back in the day of Prince Eugene, the Schloss Hof Estate was renowned for its glittering festivities. Set in an idyllic landscape far removed from the hustle and bustle of the city, Schloss Hof Estate stands as an impressive *Gesamtkunstwerk*, a harmonious synthesis of architecture, landscape design and artistic vision, offering endless possibilities for a wedding celebration that will be remembered for a lifetime. With its magnificent state rooms, historic chapel, exquisitely-designed Baroque gardens and numerous other distinctive spaces, today—just as in centuries past—Schloss Hof Estate provides a supremely atmospheric setting for a wedding celebration of rare distinction.

TRADITION

It was here at Schloss Hof Estate that one of the House of Habsburg's happiest marriages was celebrated, between Marie Christine, Maria Theresia's favourite daughter, and the love of her life, Prince Albert of Saxony, Duke of Teschen. Few locations could offer a more fitting or auspicious beginning to a lifelong union than the Baroque splendour of Schloss Hof.

A PICTURE-PERFECT SETTING

Your wedding ceremony venue and the elegant reception space—where you will take the floor for your first dance—are just a few steps apart. The romantic chapel, the grand Banqueting Hall, the Baroque stables and imposing Orangery offer a wide choice of historic settings, each a perfect backdrop for celebrating a day of exceptional joy.

Orangery at Schloss Hof Estate

Knowing the history of the location, we felt as if we'd been transported to another era! For every couple, their wedding day should be a very special occasion.

When the music began to play, and my father accompanied me to the signing table, everyone was overwhelmed by the magic of the moment. Our civil wedding ceremony was truly the dream wedding we had wished for.
